

Depressed expression of Klotho and FGF receptor 1 in hyperplastic parathyroid glands from uremic patients*Kidney International* (2010) **77**, 834; doi:10.1038/ki.2010.29**Correction to:** *Kidney International* (2010) **77**, 232–238; doi:10.1038/ki.2009.414

For the above-referenced article, there was one additional author who contributed to this article, and his information is as follows:

Tomoyuki Kita, Sakai Rumi Clinic, Kobe, Japan

Tubulogenesis controls cell specification*Kidney International* (2010) **77**, 834; doi:10.1038/ki.2010.28**Correction to:** *Kidney International* (2010) **77**, 171–172; doi:10.1038/ki.2009.510

In the above-cited article, the qualifier ‘non’ was inadvertently deleted from the phrase ‘Cdc42 controls endocrine cell differentiation in a non-cell-autonomous manner.’ This small error had the unfortunate consequence of making the overall conclusions of the cited manuscript appear inconsistent and misrepresented a major finding of this interesting work. The editors regret the error. Please note that abstracts in the Journal Club should be considered flags to direct readership to exciting work. Interested readers are encouraged to consult the original communication.
